Orangutech Celebrates Ranking as One of Canada's Top Growing Companies

Ottawa, ON – Orangutech is pleased to announce they have made the Report on Business' list of Canada's Top Growing Companies, released September 24th by the Globe and Mail. Over the past three years, Orangutech saw growth of 197%, placing them on the list among other entrepreneurial businesses in Canada.

"Orangutech is extremely pleased to be placed on this year's Report on Business' list of Canada's Top Growing Companies. A huge shout out and thank you to our clients, partners, and employees whose trust and commitment allowed us to be one of Canada's Top Growing Companies six out of the last seven years. Our mission remains to Modernize the Digital Workplace for our clients." stated Barry Doucette, CEO of Orangutech.

"The past year has shown the resilience of our team here at Orangutech. With COVID-19, our team had to quickly adapt to a new way of interacting with our clients through the use of MS Teams and other digital means." stated Lachlan Henderson, General Manager of Orangutech. "The impressive growth Orangutech has seen over the past few years is the direct result of that adaptability and the hard work and commitment our employees, consultants, and software partners put into servicing our clients; providing quality solutions designed to modernize their workplace, an important task in today's environment."

Orangutech's goal of inspiring enterprise transformation and driving user adoption of their solutions has seen the company grow from 12 to 23 employees in 2020 and 2021, with more growth on the horizon.
